LETTER OF ENDORSEMENT

TO WHOM IT MAY CONCERN

The Pilgrimage of Hope Program was developed by Brother James, a Benedictine Religious Brother, to support the Missionaries of Charity Sisters in continuing the benevolent work of Mother Teresa in underprivileged communities. The Program is based at the Christ Church Grammar School in Perth, Western Australia, and attracts many participants from different parts of the country.

The Program provides an opportunity for its young members to make a worthwhile contribution to local communities within Australia and overseas and learn more about other cultures, whilst also having a significant personal and spiritual experience.

I have asked the members of the Program to convey the greetings and good wishes of the Government and the people of Western Australia to all those whom they will meet during their pilgrimage.

I am confident that their work will have an important bearing on strengthening the ties of understanding and goodwill so necessary for long-term peace and friendship.

Yours sincerely
